Panel NIC/RHC/Wagie 8.25X8.25 Carbon Steel - White

The NIP Series back panels are designed for mounting lightweight electrical components. Used primarily in small NIC and RHC enclosures.

- Fabricated from carbon steel
- Painted with white polyester powder

14 gauge (non-perforated). White smooth hybrid finish. Panels fit the following enclosures: NEMA 1 Small (NIC), NEMA 3R Small (RHC), NEMA 12 WAGIE. Accept self-tapping screws - eliminates the need to measure, mark and drill when mounting components. Panels are used for mounting lightweight control components.

Product Details
