Catalog ID: N1P1010PP

Perforated Panel NIC/RHC/Wagie 8.25X8.25 Carbon Steel - White

The NIP Series perforated back panels are designed for mounting lightweight electrical components. Used primarily in small NIC and RHC enclosures.

- Fabricated from carbon steel
- Perforated panels accept self-tapping screws which eliminates the need to measure, mark, and drill when mounting components

White smooth hybrid finish. Panels fit the following enclosures: NEMA 1 Small (NIC), NEMA 3R Small (RHC), NEMA 12 WAGIE. Perforated steel panels are 14 gauge. Accept self-tapping screws - eliminates the need to measure, mark and drill when mounting components. Panels are used for mounting lightweight control components.

## Product Details
