N12 Operator Interface Console 12X20 304 Stainless Steel

Designed to house a variety of electronic control or instrumentation devices. Consoles provide protection from dust, dirt, oil, and water. Flexible design allows for mounting on either or two sides, creating control surfaces of 30 degrees or 60 degrees. Consoles can be mounted on desktops, pedestals, or other flat surfaces.

- Fabricated from 304 stainless steel
- Seams are continuously welded and ground smooth
- Grounding provisions

Bodies and doors fabricated from 14 gauge 304 stainless steel. Continuously welded seams ground smooth, less knockouts or holes. Captive cover screws thread into sealed wells. Control panel is continuously hinged along bottom edge. Closed cell oil resistant neoprene gasket. Grounding provisions included.
