NEW 2014

Dust Plug with Pull Handles for Hose Tubes

Features:

- Handles make it easier for tanker operators to remove delivery hoses from the storage tubes; the operator grabs the handle and easily pulls the hose out.
- rugged construction protects the hose coupling and adapter from damage during transportation and the removal of hoses from the hose storage tube
- prevents possible environmental issues due to leaking residue left in an open hose

Materials:

- aluminum body and Buna seals

| Size | Aluminum Part # | Price/E |
|------|--------------------|----------------|
| 4" | 400-DP-ALPH | \$42.15 |

Dust caps and dust plugs are not to be used in pressure applications for safety and environmental reasons.
