

One-Piece Dual Grip Shovel, 13.6", Yellow

This Remco one-piece polypropylene shovel is tough, lightweight and ergonomic. It is molded from FDA-compliant materials, and features a second grip that may also be used as a foot push. It is especially effective and helpful when scooping materials that are heavy by nature. This shovel is popular for meat, dairy, seafood, and poultry processing, as well as commercial fishing and other food handling applications.
