PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

**977 - WOODGRAIN SOF-TYLE™ GRANDE™** is an attractive yet functional anti-fatigue mat. The faux woodgrain finish complements any décor, and the vinyl top surface resists staining and is easy to clean. A full 1" thick closed cell foam base provides the ultimate relief from leg and back discomfort, while Notrax® exclusive UniFusion™ technology permanently bonds the top surface with the foam backing virtually eliminating the possibility of de-lamination. All Notrax® laminate anti-fatigue mats come standard with RedStop™, a non-slip backing technology that keeps mats in place on smooth surface floors. Woodgrain Sof-Tyle™ Grande™ is the perfect anti-fatigue mat for dry environments where aesthetic appeal is a consideration such as upscale business environments, hotel lobbies, reception areas, office buildings, and retail stores.
