

PHASE 2™

Be Seen... Be Safe... Be Comfortable...

Designed for style, comfort and performance.

The Phase 2 Fleece Jacket – Breathable, Insulating, Wind Resistant, High Visibility Outerwear

An innovative jacket constructed from a combination of 150 denier fluorescent yellow-green polyester and 360g black fleece that keeps you warm and visible, yet cool and comfortable for 3 season protection.

- ANSI/ISEA 107 Class 2 compliant jacket for high visibility.
- Athletic apparel design and performance adapted for work environments.
- Insulating heavy weight fleece provides warmth and comfort.
- Fluorescent yellow-green background material for excellent daytime visibility.
- 2" silver reflective tape reflects light for 360° nighttime conspicuity.
- 4 exterior pockets for added convenience.

Ideal Applications: For use in environments where high visibility and warmth are desired for wearer safety and comfort.
