

Item#5957

POWER BUTTON
This button allows you to easily turn on the light while maintaining constant control of this work light.

GRIP
The sides of the Larry are ribbed to ensure a strong grip and protect against those accidental drops.

ROTATING MAGNETIC CLIP
Allows you to clip this light to virtually anything or use the strong magnet to attach this light to most metal surfaces. The clip also rotates 180° to direct the light wherever you need it.

8 POWERFUL LEDs
The 8 Power LEDs collectively output 60 lumens of bright white light. (LED Bulbs 110,000-plus hour life) (Run Time - 11 Hours) (Viewing Distance - 46 meters)

LED HOUSING
The recessed LEDs are covered by a strong plastic lens which helps protect against drops. The recessed housing also directs the light into a strong concentrated beam of light.

WATER-RESISTANT REINFORCED PLASTIC BODY DESIGN
Designed to fit almost anywhere, the body is virtually indestructible to ensure reliability.

3 AAA BATTERIES INCLUDED

The Lucy™ 8 LED Pocket Work Light is the essential handywoman's light. 8 powerful LEDs provide 60 lumens of bright white light. You can't be a handyman or woman if your hands aren't...well, handy. The rotating magnetic clip gives you convenient hands-free lighting by attaching to virtually anything. The reinforced plastic body design is shock-proof and water resistant, making this light basically indestructible. The Lucy™ 8 LED Pocket Work Light...perfect for any job!
