

DOUBLE CUT AUGERBITS

Premium double fluted auger bits provide excellent deep boring in wood and nail-embedded wood applications. Precision ground, heat-treated and tempered cutting edges cut through nails.

FEATURES & BENEFITS

- ▼ Self-feed screw point for effortless boring
- ▼ Double flute design for fast chip removal and less clearing of bit
- ▼ Resharpener edge allows for quick touch ups to maintain edge and life of bit
- ▼ 7/16" quick change shank allows for use with quick change chuck

APPLICATIONS

- ▼ Wood and nail-embedded wood
