

STRINGER34

Affordable string lighting that saves energy onsite.

Integrated hanging hook

10ft cord between lamps

Industrial-grade, high-impact design

Omnidirectional light output

ANSI 2-prong plug and receptacle with weatherproof cover

Competitor's old version

Out with the old, in with the new.

The STRINGER34 replaces the outdated, incandescent string lights often found on large construction sites with energy-efficient, low-cost LED. Available in both 50ft (5 light heads, 65W) and 100ft (10 light heads, 130W) strands, the STRINGER34 can be daisy chained up to a maximum of 300ft/390W.

Cover a lot of ground.

Offered with bright 5000K light, the STRINGER34 delivers 120° coverage on a job site and the 390W daisy chaining capacity allows for 300 feet of coverage. Its frosted, polycarbonate, impact-resistant lens provides smooth light and minimizes glare to ensure a well-lit work area.

18,000 HOUR LED LIFESPAN

IP65
RATING

2-YEAR, LIMITED WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Built to last.

The STRINGER34's high-impact, industrial-grade design is meant to stand up to demanding environments. The lamp and hanging hook are all integrated, and the plug receptacle comes with a weatherproof cover. The STRINGER34's IP65 rating makes it dust tight and provides protection against water jets.

Ordering Matrix

| Family | Length/Wattage/Lumens | CRI/Color Temp | Finish | Voltage |
|------------|---|----------------|--------|---------|
| STRINGER34 | 50 100 | Blank | Blank | Blank |
| | 50ft/65W/8,000lm 100ft/130W/16,000lm | 80 CRI/5000K | Orange | 120V |
