Idler Wheels

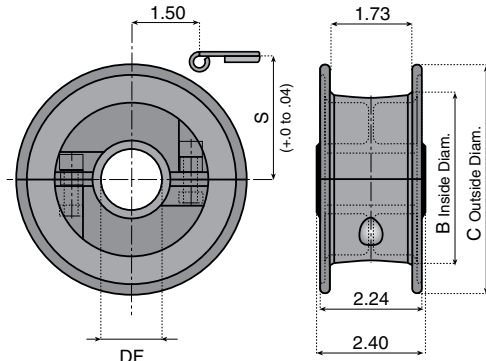

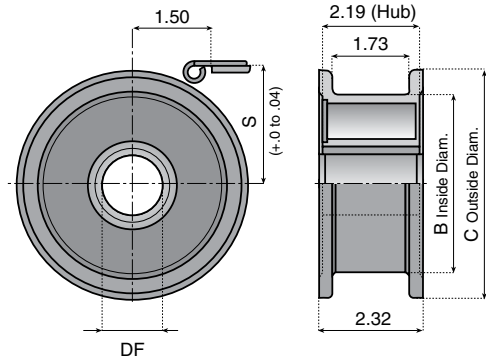

For Chains 815 - 815L - 881TAB - 881MO

Characteristics: These idlers have an ultrasonic welded cover in reinforced polyamide that is available in black. The bushing is made of a low friction and low corrosion green resin. The reinforced design of the idler ensures smooth running with reduced noise levels.

Note: Not for use with Tab Chains

Materials: Self lubricating polyamide body. Bushing is low friction resin
