Commercial Clean Machine

SKU: 110

SCRAPER | HEAVY TRAFFIC

Commercial Clean Machine² is our most aggressive mat with unique surface design for years and years of vigorous scraping action. Commercial Clean Machine² is a premium product that will gather pounds of dirt from the soles of shoes keeping the entrance clean and tidy.

FEATURES

- Molded polyethylene blades resist crushing, mildew and fading
- Traps and holds up to 3 lbs. of dirt per square foot
- 4x the performance of traditional scraper mats, therefore requiring less cleaning
- Improved skid-resistant backing withstands low temperatures
- Deep pile hides dirt out of sight and prevents it from entering the building

APPLICATIONS

- For exterior areas with heavy traffic, University, Airport, Hospital, Large retail store, Shopping mall and School

All cuts are from 3' or 6' material. 6' wide Commercial Clean Machine is available in lengths up to 15'.

Rolls do not have beveled nosing. Heavy-duty beveled nosing recommended to prevent tripping and curling of mat. Please specify all sides of custom cuts that are to have edging.
