

Quick Connect Fittings

Application:

- Used primarily on irrigation and suction lines.

Features:

- hot dipped, galvanized
- has a double pin locking lever for smooth closing action.
- Type A (Agri-Lock style) locks on the female side.
- Type B (Bauer style) locks on the male side.
- Each coupler is equipped with a safety pin to prevent accidental openings.

- These fittings are not recommended for chemicals or any hazardous type materials where the possibility of leakage would result in health or environmental concerns. Consult the factory for recommendations.*
